Thank you for your recent inquiry concerning teaching employment in Carroll County Schools. The Carroll County Board of Education does not operate any regular K-12 schools. If you are certified to teach special education or a vocational subject we will be glad to keep your application on file. There are five special school districts in Carroll County that do operate both elementary and secondary schools. They are:

Hollow Rock-Bruceton Schools
P.O. Box 135
Bruceston, TN 38317
731-418-4180

Huntingdon Schools
P.O. Box 648
Huntingdon, TN 38344
731-986-2222

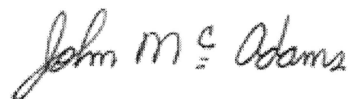

McKenzie Schools
203 Bell Street
McKenzie, TN 38201
731-352-2246

South Carroll County Schools
P.O. Box 15
Clarksburg, TN 38324
731-986-3165

West Carroll Schools
P.O. Box 279
Trezevant, TN 38258
731-662-4200

I suggest that you contact any/all of these special school districts to obtain an application from them. I hope you will be successful in your teaching career.

Sincerely,

John McAdams
Director, Carroll County Schools
