The Carroll County Board of Education has an established School Wellness Policy. Anyone interested in reviewing, updating or helping with implementation of this policy, should contact the Nutrition Supervisor, Director of Schools or any member of the School Board. The Wellness Policy can be found on the school web-site under the lunch program or you can contact the Nutrition Supervisor at 721-986-4482 (ext. 225) for further information.

Thank you for your consideration.
